CREST

1954

Dear Dave,

This the first time I ever signed a cast in a hospital - some distinction huh? I could start out by recalling some of those times we've had at T.H.S. - but maybe I better not - takes too long. Anyway let me wish you luck - although I know you'll succeed at whatever you attempt - Here's to all that's gone before - and to all that's to come - You'll always occupy a big place in my memories - Best of everything to a truly wonderful guy

We of the 1954 Crest staff take great pleasure in bringing to you a pictorial saga of another of your memorable high school years. We hope that, as you turn these pages, you will receive as much pleasure as the Crest Staff received from making this book.

Dedication

One of the questions which is uppermost in every conscientious person's mind is, "What can I do to establish eternal peace in the world?" The principle upon which the answer to this question must be based can be found in all your high school classes, churches, and in everything which revolves around your own family life.

The people who constitute the members of the United Nations know teamwork and are constantly applying their knowledge to the problems which arise in the U. N. These people have learned how they can help.

However, there are so very many people in this world who, because of poverty and starvation, have not had time to think of anything other than getting all they can for themselves. It is up to you, the youth of America, to see to it that conditions change. One day it will be your job to handle world affairs in the U. N., and you must decide now whether there is to be strife, or whether you will work to achieve universal harmony.

The Crest staff has already made its decision, and thus, the 1954 Crest is dedicated to PEACE.

"TRUE TEACHING"

Thou must be true thyself,
If thou the truth wouldst teach,
Thy soul must overflow, if thou
Another soul wouldst reach—
It needs the overflowing heart
To give the lips full speech.
Think truly, and thy thought
Shall the world's famine feed;
Speak truly, and each word of thine
Shall be a fruitful seed;
Live truly, and thy life shall be,
A great and noble creed.

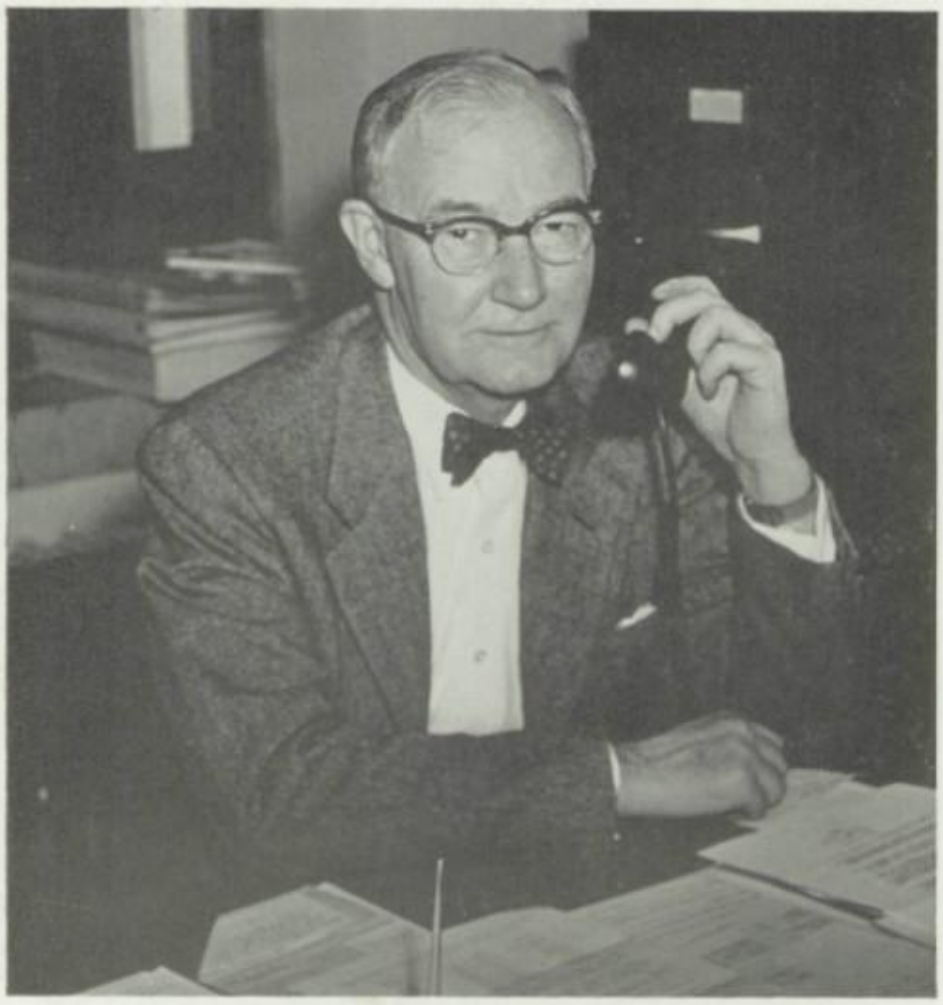
Superintendent



Mr. V. C. McCluer

Because the population of Ferguson has increased, additional educational facilities were needed.

Besides the new junior high school which was opened last year, the Ferguson-Florissant Reorganized School District built the De Smet School for the benefit of Florissant school children.

Principal

Not only has much improvement been made in the R-2 district, but, Mr. McCluer and Mr. McCollum have accomplished much by their untiring efforts in endeavoring to assist the students of Ferguson High School in obtaining a good education. These able administrators are proud of the fact that the triple "A" rating has been given the R-2 district by the state of Missouri.

Board of Education

It was the Board of Education that controlled the direction of the policies and finances of the Ferguson Public Schools, and that secured the highest rating which was given by the state. The board was composed of seven members who were elected to serve a three-year term.

Parents Club

The Parents Club met to promote better relations between the teachers and the parents. This organization proved itself indispensible to the Ferguson High School students by providing refreshments at the Christmas Dance, and by contributing floral bouquets for the Crest Coronation and for the National Honor Society installation.

Student Assembly

Tom Bindbeutel
Bob Olds, Dave Young
Pat Brewer

One of the most important organizations in the high school is the Student Assembly. It is recognized as an honor to be chosen as a representative to this body. One representative and one alternate are elected from each third-hour class except for the study hall and chorus, from which two representatives and two alternates are elected.

Through the Student Assembly, the students may have a voice in the governing of school affairs.

When a person is selected to be a representative, he automatically becomes a member of one of the Student Assembly committees. There were ten committees this year, three of which, the Ethics Committee, the Public Relations Committee, and the Civil Defense Committee, were newly organized in 1953.

With Tom Bindbeutel as president, Bob Olds as vice-president, Pat Brewer as secretary, and Dave Young as treasurer, the Student Assembly met every two weeks to discuss all problems which arose in the homerooms and which were brought to the meetings by the representatives.

The sponsors of this year's Student Assembly were Miss Eileen Smith, who has been working with the students for the betterment of Ferguson High School since 1944 and Mrs. Marian Sniffen who has also been a sponsor of the Student Assembly since 1952.

The Executive Committee was composed of the officers and the chairman of each Student Assembly committee, and was headed by Tom Bindbeutel. This committee met every other week to discuss all school problems, and to set the dates for the meetings of each committee.

Ethics Committee

Taking the place of the Guidance Council, the Ethics Committee launched into the school year with a Sportsmanship Campaign. This committee, whose chairman was Bob Olds, also directed a Clean-Up Campaign in January and planned a Safety Drive, which was held in the spring.

Committees

PUBLICITY COMMITTEE

To keep the students of Ferguson High up-to-date, the Publicity Committee hung a large, colorful calendar in the lower front hall of the school. This committee, whose chairman was JoAnn Geiger, also provided posters for the purpose of publicizing the high school dances.

First Row: Barbara Stulac, Betty Kirby, JoAnn Geiger, Cary Marshall, Martha Morrison, Marlynn Holt.

ASSEMBLY COMMITTEE

Back Row: Al Landwehr, Bob Hargrove.
Second Row: Anita Riggs, June Wallace, Tony Predock, Liz Lips, Alex Geiger.
Front Row: Pat Bardon, Joann Sloan, Judy Morgan, Kay Rugan.

"IF"

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or, being hated, don't give way to hating,
And yet don't look too good, not talk too wise;

If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim;
If you can meet with triumph and disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to broken,
And stoop and build 'em up with wornout tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the will which says to them: "Hold on";

If you can talk with crowds and keep your virtue,
Or walk with kings—nor lose the common touch;
If neither foes nor loving friends can hurt you!
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run-
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!

Activities

"THE TOUCH OF ETERNITY"

Put the touch of eternity
Into all that you do,
Though your task be small
The small may be the great,
The atom the mountain after all.

Work not for the fleeting day,
To satisfy the passing hour,
Work—work for eternity;
In that alone is power.

Paint not a picture for the crowd,
Who may applaud and then deride,
Paint to satisfy the deep desire,
For truth which in you abides,
Write not words of doubtful worth,
Good for fleeting fancies' show.
Write the conviction of your heart;
If you are right, the Ages will know.

God gives each a task here to do,
If yours is left unfinished now,
It will remain undone forever.
Work for eternity here and now.

Vest C. Myers.

Crest Coronation

Immediately after the Christmas holidays, the Crest staff began preparing for its annual Crest Coronation Dance. There were programs to be written, decorations to be made, refreshments to be obtained, and candidates for Crest queen to be nominated. Several weeks before the dance, the senior boys selected nine senior girls to be the candidates for queen. Then the Crest staff chose the eight senior boys who were to escort the queen's maids. The candidates wore small name-cards so that the rest of the students would know who they were.

The day before the dance the student body cast their ballots for the girl whom they wanted to be their Crest Queen.

On the evening of February 27, 1954, more than 500 people turned out to watch the Crest Coronation. As each maid walked across the gym floor with her escort, Mary Ann Mahoney, Mistress of Ceremonies, described her dress and told about her activities during her four high school years, and then Jim Probus described her escort's high school achievements.

Finally, after the court had assembled, the moment arrived when Miss Marilyn Patterson was crowned Crest queen of 1954 by Bill Baine, editor of the Crest.

Her maids were Marian Foster, escorted by Bill Brown; June Wallace by Jack Baine; Joann Sloan by Don Czeschin; Dana Griffith by Gaylord Richardson; Pat Brewer by David Gardner; Carol McKown by Bob Olds; Donne Chamberlain by Tom Bindbeutel; and Barbara Borbein by Richard Crittendon.

The queen's attendants were: Leah Geiger, flower girl, and Jon Griffith, crown bearer.

The high school orchestra, under the direction of Mr. Max Plavnick, played the processional and recessional for the Coronation ceremonies, and music for the dance was provided by Bonnie Ross's orchestra.

The first dance, "Tenderly," was played exclusively for the queen and her court.

Crest

In order that you may always have something which will help to bring back those pleasant memories of the 1953-1954 school year at Ferguson High, eight seniors and five juniors met third hour every day to publish the yearbook, the Crest. The Crest staff started off its sales campaign early in February with an assembly whose purpose was to enlighten the students as to the contents and prices of the 1953-1954 Crest. So that the price of the Crest was kept at a minimum, members of the Crest staff raised money for the publication of the book by selling refreshments at the football and basketball games, by sponsoring the Crest Coronation, which was one of the social highlights of the school year, and by sponsoring the sales of the individual pictures which were taken at the beginning of the school year.

Scoop

Besides learning the fundamental principles of journalism, the Scoop staff also did an excellent job of issuing a bi-monthly news publication. Through the sale of activity tickets and the five cents charged for each Scoop to those who did not possess an activity ticket, the Scoop staff was able to produce a printed paperhead which displayed the pandas and the Crest of Ferguson High School. Members of the Scoop staff met sixth hour every day and were usually found working feverishly after school on the days before the Scoop was scheduled to be issued. Under the guidance of Mr. Paul Koch and with Marcia Rippstein as editor, the Scoop regularly featured birthdays-of-the-month, Musical Madcaps, or some article like it which presented high school personalities, the Snooper, the Chatter-Box, very interesting stories, and sports write-ups.

Prom Committee and Junior Ring Committ

JUNIOR RING COMMITTEE
Ted Behle, Mary Lange, Louise Allman,
Sue Bindbeutel, Dave Young

Two committees whose memberships belonged exclusively to the juniors were the Prom Committee and the Junior Ring Committee.

The purpose of the Prom Committee was to plan the annual Junior-Senior Prom which was held this year in the Tower Room of the Congress Hotel on the evening of May 28. Music was provided by Johnny Polzin's orchestra and light refreshments were served during the evening.

Eight members of this committee were elected by the Junior class and four members were appointed by the Executive Committee of the Student Assembly. The Prom committee, with Dave Young as chairman, was sponsored by Mrs. Lucile Koester.

The other committee which was comprised of juniors was the Junior Ring Committee whose duty was to take care of all details involving the choice, purchase, and sale of the rings which their class would have the privilege of wearing the following year as seniors of Ferguson High School. These five people were advised by Mr. Bentley Bolin.

National Honor Society

Membership in the National Honor Society was the highest goal toward which a student could have worked throughout his four years in high school. Members were chosen from the upper third of their graduating class on the basis of superiority in the fields of scholarship, leadership, character, and service rendered to the school.

Quill and Scroll

The people who were entitled to wear the gold Quill and Scroll pins were recognized as having done outstanding work in the field of journalism. Juniors and seniors on the Scoop staff and Crest staff who had been recommended by their advisors were elegible for membership in this distinguished society.

Plays

SENIOR PLAY

To raise money for a present which was to be given to the school by the graduating class, the seniors presented the play, "Ramshackle Inn." This play was a mystery farce about an old inn which was overrun with liquor smugglers.

THE MASQUERS' PLAY

The masquers chose to give the play "The Barretts of Wimpole Street" as their annual production. The theme of this play was based upon the love story of Elizabeth Barrett and Robert Browning which took place in the brownstone house on Wimpole Street.

JUNIOR DRAMATICS CLUB PLAY

"You Can't Kiss Caroline" was the name of the play which was presented by the Junior Dramatics Club. This production was about a comical teen-age love situation, and was given on the evening of February 1 for the Parents' Club.

National Thespian Society

To become a member of the National Thespian Society, one must excell in some phase of the theater arts. Membership was based on a certain number of points which were attained by active participation in the Junior Dramatics Club, the Masquers, the Stage Crew, or the Senior Play. This group was sponsored by Mr. Thomas G. Moore.

Back Row: Bill Brown, Dave Gardner, David Goodwin, Phil Poehner, Phil Sheridan.
Second Row: Judy Brigham, Mary Ann Mahoney, Carl Jobsky, Nancy Pyatt, Myrta Hamilton.

Masquers

For all juniors and seniors who were interested in dramatics, Mr. Thomas G. Moore sponsored this organization, the Masquers. Meetings got underway early in the fall during which Dave Gardner was elected president, and the play "The Barretts of Wimpole Street" was selected to be presented on the evenings of November 19 and 20.

Back Row: Mr. Moore, Bill Brown, Dave Goodwin, Phil Poehner, Anson Keller, Gail Franke, Jack Baine.

Front Row: Nancy Trotter, Carol Burns, Caroline Davis, Mary Ann Mahoney.

Junior Dramatics

While on the way to becoming future Thespians, these freshmen and sophomores were helped by Mr. Thomas Moore who taught them the principal stage techniques. Early in the fall the members selected a play which was to be given for the Parent's Club. On February 1 the play "You Can't Kiss Caroline," a comedy about a teen-age love situation, was presented.

Stage Crew

Much of the success of a play depends greatly upon the service rendered by the Stage Crew. Under the direction of Mr. Roy Beck, this group provided the props and sets for all the plays which were presented by the dramatics clubs. The Stage Crew obtained authentic Victorian furniture for the Senior Dramatics Club play and provided a small town drugstore setting for the Junior Dramatics Club play.

Choir

Under the direction of Mr. Jack Owen, the Choir met third hour every day to practice selections which were to be sung in the various public appearances which they made.

Membership of the Choir was composed of second year music students.

In December, the Choir participated in the Christmas Concert which was held in the Ferguson High School gym. Then in the spring, this group took part in the County Vocal Festival at University City High School, whose purpose was to evaluate the quality of each high school Choir. Two more spring events were the Spring Concert and County Chorus. However, the entire choir was not able to attend the County Chorus, as only the very best voices were selected to represent Ferguson High School in this group. The Choir also sang for the Baccalaureate services and the graduation ceremonies.

Throughout the year, Choir members earned points by attending rehearsals, maintaining at least an S average, and participating in the Concerts and other events. Then at the end of the year, the top 25% of the Choir were presented music letter-awards.

Orchestra

For all students interested in playing string instruments Mr. Max Plavnick conducted a class which met first hour every day. After practicing steadily from the beginning of the school year, the orchestra displayed their talents during the Christmas Concert, the annual Crest Coronation ceremonies, the County Music Festival, the Spring Concert, and the Baccalaureate and graduation services.

Band

Under the direction of Mr. Max Plavnick, members of the band met second hour every day to practice marches which were played during the football games and all selections which were played at concerts.

BUSY BRUSHES

In order that all students of Ferguson High School who were interested in art would have a better understanding and appreciation of this subject, Mrs. Alice Ulbright sponsored the Busy Brushes. This club attended lectures at the Art Museum, exhibits which were held at the Artist's Guild, and planned for the Annual Art and Photography Exhibit which was held in the spring.

Photography Club

All students who are interested in photography formed the Photography Club which met once every two weeks. The members learned the correct methods of taking good pictures and developing and printing their own snapshots. The Photography Club was headed by Dave Law, who was president, and Mr. Harold Ulbright, who was their sponsor.

Library Assistants

These people gave assistance one period each day to Mrs. Hansen and Mrs. Keller by issuing books, checking them in, replacing them on the proper shelves, and doing many other jobs. The library assistants voluntarily surrendered their study hall period in order to render this service to Ferguson High School.

A picnic was held in the spring for the pleasure of all Riding Club members.

Projection Club

The purpose of the Projection Club was to learn about and operate audio-visual equipment for the school and community. The club elected Dave Kern president and was sponsored by "Doc" Watson. This club, which was sponsored by Mrs. Margaret Kurtz, elected Marilyn Patterson as president.

Varsity Football

In 1953 the Ferguson Comets broke almost every record in the books. Their record of six victories and three losses was the best "won-lost" record since football was first instituted in 1947. Among the other records broken were the best total offense and defense. A new scoring record of 36 points was set by co-captain Bob Hargrove.

Completing their second season in the Suburban League "Little Six," the Comets again took second place with four victories against one defeat, that being to the champion, Ladue.

The Comets pulled some upsets defeating both Normandy and Clayton for the first time.

Climaxing their very successful season, the Ferguson Comets defeated St. Charles in their last game, 40-13. This is the largest score ever compiled by a Ferguson football team.

Four members of this year's team were selected on the "All-Conference" team. They were: Bob Hargrove, Ike Blackman, Ned Lips, and Rich Isett. Those receiving honorable mention were: Bill Brown, John Murat, Jim Green, Tom Hamlin, John Anderson, and Fred Werremeyer.

Coach Johnson will have a good nucleus around which to build next year's varsity football team.

Sophomore Football

Continuing in the pattern set last year of dividing the underclassmen into their class group, the Sophomore team played sophomore teams from other schools. By learning the right techniques of football and playing against other schools the boys will have good experience for the big step to varsity football next year.

Freshmen Football

The Freshmen football team practiced very hard every day after school. They played very good ball, considering that this was their first year in high school, against Freshmen teams from other schools. The outstanding freshmen received numerals with the numbers "57" to wear on their letter sweaters.

Varsity Basketball

Closing the 1953-54 season, the Ferguson Comets finished with a record of six victories and fifteen defeats. This year, for the first time, the Ferguson Invitational Tournament was dropped to allow the Comets to play in the Webster Groves Suburban League Tournament because the two tournaments were to be held at the same time.

The team played some very exciting games and in all their games showed the spirit and will to win that made them a team of which Ferguson can be proud. Each game a different member of the team was selected to be captain for that particular game, and at the end of the season, the whole team elected Bob Olds captain for this season. All the members of this year's varsity squad received letters.

Next year Ferguson can look forward to an excellent team. Coach Tschannen will have back four two-year lettermen and four one-year lettermen plus many fine prospects from this year's Sophomore team.

"B" Basketball

This year's "B" team was composed entirely of sophomores. Coached by Mr. Hoemann, the team played its first thirteen games without a loss and ended the season with a record of fourteen victories against four defeats. This record was one of the best ever compiled at Ferguson. Many members will be seen on next year's varsity team.

Freshmen Basketball

Coach Prokop's freshmen team practiced at Central School and played their games at Vogt School. They gained invaluable experience for next year's "B" team. This team marked a new era in basketball at Ferguson. This was the first all-freshmen basketball team in the history of Ferguson High School.

Wrestling

With seven lettermen back this year Coach Chapman's wrestling team had a very successful season, winning nine meets while losing six. In the Suburban League "Little Six" the team finished third, winning seven out of their eleven league matches.

Because some of their home meets were played at night, the attendance at the meets improved considerably over last year's attendance.

In the Missouri State High School Wrestling Tournament Ferguson's wrestling team captured third place. Out of the twelve boys sent to the state tournament seven placed in their weight division. Tom Burke, a freshman, won the state championship in the 95 pound weight class. Vic Huddleston, Orville Dennison, Don Klug, and Gerry Dennison took second place in their respective weight divisions. Ted Bohara placed third and Mike Getlin, another freshman, won fourth place.

With very few of the members of the team graduating this year, and with many of this year's team underclassmen, Ferguson can look forward to another successful wrestling team next year.

Pep Club and Cheerleaders

The main purpose of the Pep Club was to encourage school spirit by supporting the football and basketball teams at all home and away games. Sponsored by Miss Regina Jersewiak, Pep Club meetings began early in the school year during which officers were elected, pep assemblies were planned and ideas were formed for the annual Pep Club Dance. The Dance was held in November, and, to carry out its Hawaiian theme, the Pep Club turned the gym into a south sea island complete with leis, the soft violet lights of a fading Hawaiian sunset, and swaying hula girls dancing around the walls.

When tremendous cries of "Yea Ferguson" "Yea High" were heard ringing through the gym during sixth hours, you knew that the Pep Club was holding another Pep Assembly. These assemblies were held at the start and close of the football and basketball seasons in order to encourage a big turn-out at the games.

To become a cheerleader was the greatest ambition of the members of the Pep Club. In order to be eligible for the cheerleading try-outs, members had to obtain a certain amount of points by attending as many games as was possible. Last spring cheerleaders were selected from the Pep Club by the entire student body. The cheerleaders made Joann Sloan their captain and set up a constitution by which all of them had to abide.

Baseball

This year Coach Burgess had nine lettermen back. There was only one senior on the team this year, Don Czeschin. The other eight returning lettermen were all juniors. Many people think that this year's baseball team was the best ever assembled at Ferguson High School. One of the stronger points of this year's team was in the hitting department, which has considerably improved over the past few years.

The team began practicing early in March and had to resort to the gym when the weather was bad. They played their first game in the early part of April and didn't finish the season until late in May.

The Comets played games this season, of which were league games. This was Ferguson's third year in the powerful Suburban League. The team also competed in the state tournament held late in the year.

Next year the Ferguson baseball team will reach its peak because of the number of juniors, nine of them, who have been on the team since they were freshmen. There are quite a few underclassmen to help keep up the fine record of the baseball team in future years.

The team was strong this year in the broad jump, the 440 yard dash, the pole vault, and the high jump.

Many of the underclassmen turned in some excellent showings and made the juniors and seniors work that much harder.

Under coaches McDaniels and Johnson, the boys practiced every afternoon to improve themselves in his particular specialty. By constant practice the boys developed into a fine team of which Ferguson is proud.

G. A. A.

G. A. A.

Under the leadership of Mrs. Jane B. Dieselhorst and Miss Lorraine Mohrman, the Girls' Athletic Association enjoyed an eventful year of basketball, softball, volleyball, and tennis. This organization, which had a larger membership than any other extra-curricular group of Ferguson High School, was organized in 1943 by Mrs. Dieselhorst.

Some of the members of the G.A.A. were members of either the social committee or the point committee.

The social committee planned and directed the annual G.A.A. Dance which is looked forward to every year with enthusiasm by the girls, and more particularly, by the boys since the girls escorted the boys to this dance. As was customary, the best three corsages worn by the boys won a prize, and another sophomore boy, Howard Hamlin, became an honorary member of the G.A.A.

The ambition of every member of the G.A.A. was to earn her letter. 100 points must have been earned in one year in order to have received this coveted award. A girl who earned 100 points for the second time was awarded a chevron, and anyone who earned 200 points in one year was awarded a star. Points were earned in gym classes and for athletic achievements during G.A.A. games. It was the task of the point committee to record all points earned by each girl during the year and then to compile them for the letter awards.

A Hodge Podge league of two teams, the Homely Pandas and the Half Pints, was formed of girls who didn't make the class teams. After an exciting season the sophomores, captained by Marialta Sherman, took the championship by upsetting Jo Peterson's senior team. The third place freshmen team was captained by Liz Lips and the fourth place junior team by Cary Marshall. A little Shot League of two teams, the Looney Spooks and the Little Spokes, was also formed.

On February 13th the four class teams and an extra sophomore team attended a basketball sports day at University City High School. All five teams were defeated by other county teams.

The senior team captured the championship by defeating the strong junior team at a game held the night of March 8 preceding the B-Team—Faculty game. In after-school games the juniors won second place, the sophomores third, and the freshmen last place.

After all candidates were given a chance to demonstrate their skill, the twelve remaining members on each team were picked by a vote of the two sponsors, the G.A.A. president, the manager of the sport, and the team captain.

All-Stars

T-13 AND ALL-STARS

Membership in T-13 was one of the main ambitions of every gym student. Each grade period, the thirteen outstanding girls in the gym classes were chosen to be a member. After a girl had been on T-13 for three times, she became a permanent member and was allowed the privilege of wearing the T-13 on her gym shorts.

Another privilege which was given to girls who were outstanding in the field of sports was membership in a G.A.A. all-star team. During the softball, basketball, and volleyball seasons, thirteen girls were chosen from the freshman, sophomore, junior, and senior class teams to be members of the all-star teams. Membership on an all-star team counted 25 points toward a letter.

Cafeteria Staff

Under the direction of Mrs. Bolin the cafeteria staff daily prepares a well-balanced lunch for the students of the Junior and Senior High Schools. These women keep the cafeteria immaculately clean in order to maintain the grade "A" rating.
